**ANNOUNCEMENT FROM BISHOP JOHN STOWE  
To St. Julian and St. Anthony Parishes**

Fr. Jesuraj has been recalled to his religious congregation, The Heralds of Good News based in India, because he has been in the diocese longer than their congregation permits a priest to work in a particular diocese outside of their country.

Fr. Jesuraj very much wanted to remain in Middlesboro and Pineville and has worked to extend his time in the Diocese of Lexington and would eventually like to join the diocese as a diocesan priest. But at this time the congregation will assign him somewhere in India and we do not know for how long. Bishop John will be working to find a priest who can serve the communities of St. Julian and St. Anthony. Middlesboro and Pineville has been through too may pastoral transitions lately and hopefully a pastor who can minister for a full term can be found soon.

**Advent starts Sunday, December 4**

Advent is the beginning of the Catholic Church's liturgical year, consisting of the first four Sundays and subsequent weekdays before Christmas. The word "Advent" comes from the Latin "adventus," which means "a coming or approach." It is a time of preparation intended to direct the Church toward the Second Coming of Christ as we also remember the Nativity of our Lord. This year, Advent begins on Sunday, December 3, and ends on Sunday, December 24.

**Joshua van Cleef, Director of the Office of Peace and Justice in the Diocese of Lexington, states this collection is today, the 33rd Sunday in Ordinary Time—November 18 & 19, 2023.**

He further states, "The CCHD collection is an important opportunity to support the national anti-poverty program of the U. S. Catholic Bishops, working to carry out the mission of Jesus Christ "...to bring glad tidings to the poor...liberty to captive...sight to the blind, and let the oppressed go free." (Luke 4:18)

CCHD works to break the cycle of poverty by helping low-income people participate in decisions that affect their lives, families and communities. CCHD offers a hand up, not a hand out by supporting organizations across the country working to end poverty and empowering communities to make a change.

In the Diocese of Lexington, Partnership Housing and Build are supported by CCHD grants. Partnership Housing works to build lasting change by offering sustainable and affordable housing and creating jobs in Eastern KY. Since the historic floods in Eastern Kentucky in 2022, they led the way in building homes for flood survivors and ensuring that people had their basic needs met.

Please give generously this week to this important collection.

**CATHOLIC CAMPAIGN FOR HUMAN DEVELOPMENT  
 WORKING ON THE MARGINS**

LEARN about those living in poverty who are working to improve their communities. • ACT and spread the word about poverty by sharing this flier. • CONNECT with the work of CCHD by supporting the collection. • PRAY for those who benefit from this collection.

For more than 50 years, the Catholic Campaign for Human Development (CCHD) has supported organizations that combat poverty and improve the lives of people in communities across the United States. Not only do CCHD-funded organizations advocate with civic, business, and community religious leaders to improve access to affordable housing, job and educational opportunities, and rights for immigrants—they also respond quickly to urgent needs when communities experience emergencies.

An effective response to natural disasters begins with effective planning before disasters occur. In New Orleans and surrounding areas in southern Louisiana, CCHD is helping Together New Orleans develop a project called Community Lighthouse, which will equip 85 congregations and community organizations with commercial-scale solar power and backup battery storage. This effort will form a network of response centers ready to serve

communities in a hurricane or other natural disaster once the solar power equipment is completely installed. By using solar power and backup batteries, the response centers can continue operating in the event of power loss—but they will also be using clean, renewable energy rather than fossil fuels that contribute to climate change and pollution.

When you support CCHD, you help local communities across the country innovate and work together to solve their own unique challenges. Twenty-five percent of your contribution stays in your diocese to support the organizations addressing your community's needs for housing, jobs, and educational opportunities—and for keeping the lights on during a storm.

To learn more about the collection for the CCHD and the way CCHD upholds the moral and social teachings of the Catholic Church, visit [www.usccb.org/cchd/collection](http://www.usccb.org/cchd/collection).
