**ANNOUNCEMENT FROM BISHOP JOHN STOWE
To St. Julian and St. Anthony Parishes**

Fr. Jesuraj has been recalled to his religious congregation, The Heralds of Good News based in India, because he has been in the diocese longer than their congregation permits a priest to work in a particular diocese outside of their country.

Fr. Jesuraj very much wanted to remain in Middlesboro and Pineville and has worked to extend his time in the Diocese of Lexington and would eventually like to join the diocese as a diocesan priest. But at this time the congregation will assign him somewhere in India and we do not know for how long. Bishop John will be working to find a priest who can serve the communities of St. Julian and St. Anthony. Middlesboro and Pineville has been through too may pastoral transitions lately and hopefully a pastor who can minister for a full term can be found soon.

LAUDATE DEUM
Of the Holy Father Francis
To all people of good will on the climate crisis
October 4, 2023

SINCE THE PUBLICATION OF LAUDATO SI' IN 2015...

- We have not reacted strongly enough to the climate crisis (cf. LD 2).
- The world that welcomes us is crumbling (cf. LD 2).
- We see how the impact of climate change will harm the lives and families of many people (cf. LD 2).

THE SIGNS OF CLIMATE CHANGE ARE:

- Extreme phenomena, unusual heat, droughts (cf. LD 5).
- Heavy rainfall, floods (cf. LD 5).
- Unusual acceleration of warming (cf. LD 6).
- Acceleration of the increase of greenhouse gases (cf. LD 11).

HOW DID WE GET TO THIS POINT?

Neither the **human causes** of climate change (cf. LD 11) nor its position in the **technocratic paradigm** can be doubted.

The **human being believes himself to be limitless**, "whose capacities and possibilities could be expanded to infinity thanks to technology" (cf. LD 21).

We believe that the world around us is an object of exploitation, of unbridled use, of **unlimited ambition** (cf. LD 25).

LACK OF EFFICIENCY, OPPORTUNITIES, AND LASTING PROGRESS IN MULTILATERAL AGREEMENTS BETWEEN STATES (cf. LD 34).

There are no organizations with real authority to ensure non-renounceable objectives (cf. LD 35).

Previous effective decision-making procedures were not sufficient (cf. LD 43).

Prior Climate Conferences have had a low level of implementation (personal interests are privileged over the common good) (cf. LD 52).

What is the point of preserving a power that will be remembered for its inability to intervene (cf. LD 60)?

“ ”

The whole of the universe shows the inexhaustible richness of God (cf. LD 63). Let us join this path of reconciliation with the world that shelters us (cf. LD 69).
"There are no cultural changes without changes in people" (cf. LD 70).
"Praise God": a human being who pretends to take his place becomes the worst danger to himself (cf. LD 73).

POPE FRANCIS

COP28 UAE
UN Dubai COP28
NOV 30, 2023 - DEC 12, 2023

- It should be a turning point to react and show that what has been done was worthwhile (cf. LD 54).
- It should help us to make a better energy transition (cf. LD 59).
- It should help us to get out of the logic of patchwork solutions in order to seek the common good and ensure the future of coming generations (cf. LD 58, 60).
